# 2023 A YEAR IN REVIEW

The animals bring people to the Zoo and the events bring us together. In 2023, the Milwaukee County Zoo and Zoological Society of Milwaukee proudly hosted a bountiful selection of exciting events, attractions and educational programs. These experiences

enrich our community and would not be possible without the generous support of our sponsors. Join us as we reflect on the events that made 2023 such a memorable year and the presenting sponsors who supported them.

*We thank our sponsors for their generosity.*
