Like beer, food and big cats? You can mingle among tigers and cheetahs at the Zoological Society's second annual beer tasting event at the Milwaukee County Zoo. This year there will be double the number of beer vendors, from large breweries like Leinenkugel to smaller craft breweries like the Woodman Brewery and Ale Asylum. Admission includes a commemorative beer-tasting mug, provided by MillerCoors. Delicious snacks such as mini-burgers, pretzels, subs and more will make this a food sampler as well. The event takes place in three buildings: the Florence Mila Borchert Big Cat Country, the U.S. Bank Gathering Place and the Peck Welcome Center. This fund-raiser helps support the Zoological Society's 2011-12 annual appeal. You must be at least 21 years old to attend.

\*ZSM members' guests must register at same time as members. \*\*VIP ticket holders get early entry at 6 p.m. and will be entered into a drawing to win a behind-the-scenes tour. # Harvest Time Fun

## Family Farm Weekend

Sponsored by the Wisconsin Milk Marketing Board

Saturday and Sunday, Sept. 10 & 11

Free Zoo admission for Zoological Society members with ID. Milwaukee County parking fee: \$11.

(Zoo Pass Plus members receive free parking)

For details, call the Milwaukee County Zoo: (414) 256-5466

Nathan Mrotek Jr., 3, of West Allis, stirs the ice cream at the Milwaukee County Zoo's Family Farm Weekend.

Guinea pigs to pet, farm produce to buy, mini-tractors for kids to race, experts' advice to help you garden—does this sound like your cup of milk? Then celebrate the fall harvest at the Milwaukee County Zoo's two-day farm fest. Held in the Zoo's Northwestern Mutual Family Farm—the last working farm in the city of Milwaukee—this event is rurally, rurally fun (groan!). It's also educational. From hand-turned ice cream to basket-weaving demonstrations, you'll learn how things were done a few generations ago on Wisconsin farms. As always, you can watch cow milking; visit the horses, hogs and donkeys; and pet domestic and Wisconsin animals at the Stackner Animal Encounter talks. Zoo Pride volunteers will also hand out samples of homemade pickles and peanut butter. The Bluegrass Allstars will play live country music and farmers will sell fresh produce at a farmers market. Children under age 10 and weighing 70 pounds or less can show their muscle in the Pedal Tractor-Pull Contest, sponsored by CNH. Gardeners can chat with University of Wisconsin Extension master gardeners.

**School field trips/company outings:** For Zoo Pass members

visiting the Zoo with an organized class field trip or company

picnic, members’ free-admission benefits do not apply. Due

to the many busloads of school groups visiting the Zoo, gate

staff is not able to board each bus to verify memberships

without causing potentially dangerous traffic back-ups onto

Blue Mound Road. The fees paid for educational outings and

company picnics typically include additional class materials

or Zoo-visit benefits as well.

**Zoo admission:** Please remember to have your Zoological

Society Zoo Pass and photo I.D. ready when you arrive at

the Zoo’s admission gates. You will be asked to present both

to the Zoo’s gate attendant. If you’ve misplaced or lost your

card, replacement cards may be purchased for \$5.00. Zoo

Pass Plus members: Free parking is valid for one vehicle per

membership per day.

**Who can use member cards?** The person(s) named on the Zoo Pass is the owner of the card and benefits are not transferable to anyone else. We need to have the number of members’ minor children/grandchildren reflected in your membership records for the Zoo’s admission gates. Foster children are covered on your membership. **Day-care providers for children: Your Zoo Pass membership does not cover children for whom you provide baby-sitting or day-care services.** The ZSM and the Zoo retain the right to invalidate any membership being used inappropriately.

**NO trick-or-treating**

The Milwaukee County Zoo: by day a fun joyful place; by night, well, who really knows what prowls deep inside the Zoo's 200-year-old urban forest, or what lurks beneath the murky depths of Lake Evinrude? But don't be frightened—come to Boo at the Zoo, a kid-friendly event, and see what the Zoo is like on an autumn night. You can run wild with the ghosts and goblins. Then, go near the Florence Mila Borchert Big Cat Country and check out a pumpkin patch with hundreds of jack-o-lanterns carved by Zoo Pride volunteers. Visit the Wolf Woods exhibit for a musical light show with eerily creative displays. Make your way through a not-so-spooky Haystack Maze in the Northwestern Mutual Family Farm and purchase caramel apples at the end. Finally, consider going on a ghostly train ride through the park.

# Free Theater for the Community

## Kohl's Wild Theater outreach

Free outreach programs for schools, libraries and other groups begin October 2011. Book now online at [wildtheater.org](http://wildtheater.org) or contact Lisa B. at (414) 258-2333.

Kohl's Wild Theater is heading into the community this fall. After debuting at the Milwaukee County Zoo this summer, the theater program will offer free shows starting in October at schools, libraries, and special events or festivals. The performances use drama, songs, humor and puppetry to teach children a conservation-themed message. There are three 45-minute programs to choose from: Wild Wisconsin, A Tale of Two Hemispheres and The Reach of the Rain Forest. Each program includes two professionally performed plays and time for questions from the audience. Kohl's Wild Theater is made possible through a partnership between Kohl's Cares and the Zoological Society of Milwaukee.

Performances, which may be scheduled within a one-hour radius of the Zoo, are free of charge. They are family-friendly and age-appropriate for grade-school children. Kohl's Wild Theater is a completely contained performance group with its own sets and music. All that's needed is a working electrical outlet, a performance space of at least 18 by 20 feet and an audience of at least 50 (for school performances). The free performances are booked on a first-come-first-served basis, so book now! Remember: You can still see five free shows daily at the Zoo through Sept. 5.

Friday, Sept. 2

Free Zoo admission 9 a.m.-3 p.m. for seniors ages 55 and older with an ID.

Milwaukee County parking fee: \$11 (Zoo Pass Plus members receive free parking)

Some people think that the Milwaukee County Zoo is for kids. Not true. It's for people of all ages. On Sept. 2, it will be the place to be for people ages 55 and older. If you like bingo, live music of yesteryear, dancing, health tips, and yummy food, this event is for you. Other fun includes complimentary cookies, tips from master gardeners, entertainment on two stages—both sponsored by Humana MarketPOINT—and free ice cream treats sponsored by San Camillo. Remember to visit the Zoo's animals, too. No matter what age you are, experiencing the majesty of wildlife up-close never fails to amaze.

## VOLUNTEERING

### Zoo Pride Offers Sensory Safaris

How do you describe what a squirrel looks like to somebody who has never seen one? Tom and Julie Schabach wondered about that after meeting at a program for the visually impaired. The Schabachs both lost their sight to diabetic retinopathy in their 20s. But some of the people in the program never had sight. "Julie and I began acquiring different animal artifacts, like antlers and hides, so that people who were blind from birth could experience animals through touch." The Schabachs inspired the Zoological Society of Milwaukee (ZSM), which contacted them about their idea and launched Sensory Safari in 1991. This is a program of Zoo Pride, the ZSM's volunteer auxiliary (the Schabachs are not ZSM volunteers). Sensory Safari has 32 animal mounts, plus animal hides, feathers and the skin that snakes shed. "We put on two to three programs per month for special-needs groups," says Lynn Wilding, volunteer services coordinator for Zoo Pride. To schedule a Sensory Safari program, call (414) 258-5667 or go online to [zoosociety.org/ZooPride](http://zoosociety.org/ZooPride).

Most visitors to the Milwaukee County Zoo have probably wished they could go behind-the-scenes to learn more about the animals. Animal Safari offers a chance to make that wish come true. There are two ways to go on a behind-the-scenes tour. Either sponsor a Zoo animal through the Zoological Society of Milwaukee's (ZSM's) Sponsor an Animal program, or join the ZSM's Kids Conservation Club\* by Aug. 27. Our featured animal for this event is Brewster the black rhinoceros, which you can sponsor for \$20 (\$25 after Aug. 27), but you can sponsor other animals, too. Sponsors can visit areas of the Zoo that are usually off-limits to the public, such as the aviary kitchen and the camel barn, and they can go on a special scavenger hunt. Tours are open to animal sponsors only, but all zoogoers can participate in activities such as talks in front of animal exhibits, temporary tattoos, kids' crafts

and more. Animal sponsors can also register to win a private tour with a zookeeper in one of the animal buildings. The tour is at 2:30 p.m. on Aug. 27 and can include up to four people.

\*The Kids Conservation Club features endangered animal collectors' cards, workshops with crafts and a sponsorship of an endangered animal at the Zoo. Annual membership costs \$20 per child; to join, go online to [zoosociety.org/kidsclub](http://zoosociety.org/kidsclub) or call (414) 258-2333.

**Free Kids Conservation Club membership offer:** Send in a Pick 'n Save cash-register receipt showing the purchase of five Welch's products, along with a completed club application form, to the address on the form. Offer good through Aug. 31, 2011.

### Kids' 'Green' Art Contest

Materials for making works of art are all around you! Use your creativity and imagination to create art from discarded material that can be recycled for the Zoological Society of Milwaukee's Kids' Green Art Contest. Submit projects between Aug. 22 and Aug. 26. For more details, visit [www.zoosociety.org/artcontest](http://www.zoosociety.org/artcontest) or call Becky at (414) 258-2333.

## The Zoological Society's Annual Appeal:

# Ice Cream from the Cow

When you sit eating your ice cream, do you remember where it comes from? Belle, the fiber-glass Holstein cow in the Milwaukee County Zoo's dairy barn, has taught a generation of children how dairy products are made into ice cream, cheese and more. As part of our 2011 annual appeal, the Zoological Society is giving Belle an upgrade featuring new interactive technologies. Updates include a display that young children can touch and learn from, new movies about cows in the Dairy Complex theater, fun dairy facts and more. The appeal also raises money for additional Zoo support. Donate \$2,500 or more, for a special limited-time offer, and receive individualized recognition on a bench to be placed in or around the Dairy Complex. Donors of \$75-\$249 will have their names listed on a sign; donors of \$250-\$499 will receive larger recognition on a sign; donors of \$500-\$999 will receive individualized recognition and a plush-toy cow; and donors of \$1,000 or more will receive individualized recognition, sponsor one of our cows for one year and receive a plush-toy cow and a photo. To give a gift, please see [www.zoosociety.org/appeal](http://www.zoosociety.org/appeal) or call (414) 258-2333.

## INSIDER TIPS

# Bonobos in Action

As you step out of the Apes of Africa building onto an outdoor deck in a lush grove, the quiet beauty of nature quickly gives way to a surge of shrieks! Peer toward the sky and you'll see why. Cruising through a network of green mesh chutes are the Milwaukee County Zoo's bonobos. With playrooms connected by long passageways and multiple levels linked by ladders, their new outdoor exhibit gives these African apes space to romp. They often hang out on the higher levels. "It's light and airy up there," says volunteer Kathy Olejnik, vice chair of the primate committee of the Zoological Society's volunteer auxiliary, Zoo Pride. "Indoors they can go up top by the skylight, but it's hard for visitors to see them. Out here, they love to climb, and the public can watch them easily." But before they scramble up to their 26-foot-tall towers, the bonobos like to "shop" for snacks: pieces of fruit and vegetables scattered about by zookeepers. Watch for the bonobos that like to grab

food from others. Notice them crafting nests with hay-like bedding. Observe the grooming "chains" where three or four of these apes line up and groom each other. Look for mom Claudine cradling her baby. Enjoy toddler Kitoko being coaxed through each chute. "Bonobo children and our children are so much alike," says a volunteer and primate committee member named Mary. "They play, egg on their siblings and peers, and have lots of energy." In the afternoon, however, these apes prefer sleeping and cuddling over scampering and climbing. Be sure to make the bonobos' outdoor exhibit your first stop during your next Zoo visit!

## New Challenges: Ropes, Climbing Wall, Zip Line

For people interested in fun physical activities, there are now even more choices at the Milwaukee County Zoo. Take the challenge of a three-level (25 feet by 50 feet) ropes course with 24 obstacles (\$7 per person), which opened July 4. In early August a 32-foot-high climbing wall (\$5 for two climbs) opened, as well as a 500-foot round-trip zip line (\$12 per person) that starts next to the Humboldt penguin exhibit. The three new adventures are called the Sky Trail® Wisconsin Adventure Zone. Combine all three activities for \$20 (or \$32 for an all-day pass). For group rentals, contact manager Kelly Freitag, 414-687-7171.

## Tropical Island Paradise

A Night in Havana was the theme for the Zoological Society of Milwaukee's (ZSM) 28th annual Zoo Ball on June 25. Sponsored by **American Airlines**, this formal yet relaxed event attracted more than 600 guests and raised more than \$392,000 for the non-profit ZSM. Eido and Michelle Walny of Bayside chaired the event. Eido has been a member of the ZSM Associate Board since 2007 and currently heads Walny Legal Group LLC. Michelle is an English and speech teacher at Nicolet High School. The evening included cocktails, a multi-level auction, a gourmet meal and more. Dining venues were supported by the **U.S. Bank Foundation**. Entertainment was sponsored by **Johnson Controls, Inc.**, and a late-night venue was sponsored by **MillerCoors**. **Kat Morrow's WildKat Wellness** provided the popular Diamond & Gemstone Dig, and commemorative photos of guests were sponsored by **Nick and Julie Takton**.

## Three Perfect Kids' Nights

The Milwaukee County Zoo turned into a vast playground for children during Kids' Nights on July 12, 14 and 15. Sponsored by **WaterStone Bank**, this ZSM members-only event brought 21,924 people to the park during perfect summer nights. It featured a kid-friendly dance party led by DJ Tim Sledge on the Flamingo Patio Stage, sponsored by **American Family Insurance**; the eco-themed band The Chickadees on the Ralph Evinrude Landing Stage, sponsored by **GG Golden Guernsey Dairy®**; and young guitar students performing rock music on the Zoo Terrace stage. You can't have a festival without some good eats. Food from **Noodles & Company**, **Palermo's® Pizza**, **Saz's Catering**, **Wong's Wok** and **Wingert's Wings** filled zoogoers' stomachs, including sweet deserts from **Gourmet Cheesecake and More** and **Niemann's Homemade Candies**. A root-beer float stand raised \$3,687 for the ZSM's Sponsor an Animal program.

## Dads Visit Animal Dads

Dads were treated to a special day at the Milwaukee County Zoo on Father's Day, June 19. Zoo admission was free for all dads (excluding parking), courtesy of event sponsors **Chinet®** and **Pick 'n Save**. The event honoring fathers drew 7,405 visitors, but human dads weren't the only ones basking in the glory of fatherhood. Several animal dads celebrated their first Father's Day, including two Gentoo penguins, a tamarin, an impala and a bonobo. Activities included creating No. 1 Dad "medals" with **Chinet®** paper plates and more.

## Ethical Accolades

President & CEO of the Zoological Society of Milwaukee, Dr. Robert (Bert) Davis, was recently elected to the Ethics Board of the Association of Zoos & Aquariums (AZA). The AZA is a prestigious organization that accredits zoos and aquariums nationwide. (The Milwaukee County Zoo is an AZA accredited institution.) "It will be a privilege to serve our zoological community on the AZA Ethics Board," says Dr. Davis. "I respect the high standards to which we are held accountable professionally, as institutions and as individuals." As an Ethics Board member, Dr. Davis will be responsible for interpreting and enforcing the AZA's Code of Professional Ethics, which sets high standards of conduct for the zoo and aquarium profession.

# Flight of the Butterfly

## Butterflies! In Living Color

*Sponsored by Sendik's Food Markets*

**Through Sept. 25 daily; \$2 per person exhibit admission**

**In Otto Borchert Family Special Exhibits Building**

As 500 new pupae arrive each week at the Milwaukee County Zoo's special butterfly exhibit, you have 500 reasons to return for another visit. "Butterflies are in season at different times just like flowers are in season at different times," says Zoo butterfly technician Kayli Pesch. "So you never know what new butterflies you'll see as the season progresses." How do these butterflies get to Milwaukee? They fly of course—overnight on an airplane! Breeders delicately package pupae in paper towels or soft paper. They often place them in plastic cups that are packed into boxes for overnight shipment. Technicians glue the chrysalis, or outer shell, of each pupa onto cardboard strips, which are then glued onto wooden strips in the exhibit's screened-in pupae enclosures. The glue touches only the outer shell, which is left behind when a butterfly emerges. Some shells, like those of monarch and queen butterflies, are glued hanging downward, as they are found in nature. Others, like those of swallowtails, are fastened upward. Adult butterflies also are shipped by plane. Each butterfly travels nearly 24 hours cross-country in its own 1 ½-inch-tall by 3-inch-wide wax paper envelope. Its wings remain closed the entire flight to protect its body. Ice packs shipped with the butterflies slow their metabolisms so that they don't have to eat during the journey. Immediately upon arrival, technicians carefully release the butterflies into one of the back corners of the exhibit. There they can rest, re-energize and rehydrate with nectar until ready for takeoff. So make sure to see the newest butterflies during the next month; the exhibit is closed as of Sept. 26.

# What is Your Legacy?

It may surprise you to know that an essential part of the Milwaukee County Zoo's financial well-being depends upon thousands of supporters who regularly make small gifts to the Zoological Society of Milwaukee (ZSM). They help fund the ZSM's conservation and education missions as well as the ZSM's support of the Zoo. It is not an exaggeration to say that these many small-gift donors are the backbone of the ZSM's annual gifts. Sadly, many of these donors do not think to include the Zoological Society in their estate plans. It is a common misperception that making a gift to a charity at death is only for the very wealthy. Many people also think that making such a gift is complicated and expensive. Quite the contrary is true. Making a gift to continue, or one might say "endow," one's annual lifetime gifts is as simple as:

- 1) naming the Zoological Society of Milwaukee County as a beneficiary in your will,
- 2) changing a beneficiary designation on a life insurance policy,
- 3) changing a beneficiary on an IRA account, or
- 4) making an account or a savings bond "payable on death" to the Zoological Society of Milwaukee County. It's not necessary to name the Zoological Society as the beneficiary of an entire IRA account, life insurance policy or other account. The donor can specify a dollar amount or a percentage of the asset involved.

The Zoo is one of the most prominent success stories of our community. It is well-managed and, with the help of Zoological Society donors, financially strong. It is particularly appropriate that the Zoo's success depends so strongly not on a few large donors (they are also important and treasured), but on a wonderfully extensive network of highly motivated small-gift donors. Continuing this legacy beyond the lifetime of our donors is not only essential to the ZSM and the Zoo's continued financial viability, but it is also what our committed donors would likely do if they realized how easy gifts can be.

While most of us hope to be remembered after we die for the kindnesses and efforts we make during our lifetimes, it is equally true that we can be remembered by the provisions we make for the distribution of our estates after we are gone. Please consider making a provision for the Zoological Society of Milwaukee that will continue the gifts you have so generously made during your lifetime. As we all know so well, often it is the smallest of gifts that is the most important.

## Zoological Society Grants Received

The Zoological Society of Milwaukee (ZSM) has received the following grants since May 2011:

- In support of its efforts to help the endangered bonobo, the ZSM's Bonobo & Congo Biodiversity Initiative (BCBI) has received funds from the **World Wildlife Fund** in Washington, D.C., as part of WWF's ongoing support of BCBI, which is in collaboration with the Congo Basin Forest Partnership in Africa. BCBI also received a grant from **Kay M. Elsen** of West Allis for teacher salaries that the ZSM pays for in villages near the ZSM research station in the Democratic Republic of Congo.
- For the ZSM's Conservation Education Department 2010-2011 Programs for Disadvantaged Youth, which allow children from disadvantaged neighborhoods to attend ZSM camps at the Zoo in summer, we received a grant from the **Ralph Evinrude Foundation** and the **R.D. & Linda Peters Foundation**.

# ZSM Simba Society

The Simba Society was formed by the Zoological Society of Milwaukee to recognize and thank those special people who have remembered the Zoological Society with a planned or deferred gift. When you make this type of gift, you create a legacy of support that will ensure that the Zoological Society can continue to carry out its mission to support the Milwaukee County Zoo, educate the public and conserve wildlife for generations to come.

By informing us that you've named the Zoological Society as a beneficiary of your will or other legacy gift, you will become part of the Simba Society and receive recognition on signage at the Zoo and in Society publications, invitations to VIP premieres and the Annual Simba Society Dinner as well as a Simba Society lapel pin.

We don't want to miss you! If you've already included the Zoological Society of Milwaukee in your giving plans, please let us know! If you'd like additional information, please call the Development office at (414) 258-2333, ext.310, or e-mail [simba@zoosociety.org](mailto:simba@zoosociety.org).

*Themba, the Milwaukee County Zoo's (MCZ) lion, was born on July 25, 2003 at the Henry Vilas Zoo in Madison. He came to the MCZ in April of 2005. A large lion, Themba weighs approximately 400 pounds, making him a hit with the public.*
